About the College

St. Ann's College for Women an Autonomous Institution was established by the congregation of the sisters of St. Ann in 1981. St. Ann's is an institution oriented towards the cause of need-based education, aiming at optimum growth.

At present, the college has the strength of over 3200 students and well-qualified staff members belonging to as many as 32 different departments. The college has been re-accredited with an 'A+' Grade by NAAC (3rd cycle) in the year 2018.

The college has been declared a CPE by the U.G.C. It has been approved for the DBT Star college scheme from the academic year 2020-21 by Dept. of Biotechnology, Govt. of India.

About NAAC

National Assessment and Accreditation Council (NAAC) is an autonomous body established by the UGC of India to assess and accredit institutions of higher education in the country. NAAC primarily assesses the quality of institutions of higher education that volunteer for the process, through an internationally accepted methodology. NAAC supports academic events for better understanding of quality enhancement through assessment.

About the Seminar

The National Education Policy 2020 (NEP 2020), launched on 29 July 2020, outlines the vision of India's new education system. NEP 2020 focuses on five pillars: Affordability, Accessibility, Quality, Equity, and Accountability – to ensure continual learning. NEP 2020 envisions a complete overhauling and re-energizing of the higher education to overcome the challenges in the current system and thereby deliver high-quality higher education, with equity and inclusion.

The fundamental principles of NEP: "Recognizing, identifying, and fostering the unique capabilities of each student by sensitizing teachers as well as parents to promote each student's holistic development in both academic and non-academic spheres". This calls for key reforms in higher education that prepare the next generation to thrive and compete in the new digital age. Thus, there is much emphasis upon multidisciplinary, digital literacy, written communication, problem-solving, logical reasoning, and vocational exposure. National Seminar on "National Education Policy: Transforming Vision into Quality Engagement at HEIs" is organized to facilitate HEIs to design and implement the curriculum in line with policies of the National regulatory agencies.
